Dear Parent or Guardian of:

«First_Name» «Last_Name»
«Home_House_» «Home_Street»

To make bus runs more efficient, we have optimized the routes for «School_Name» through our new automated routing system. Optimization is an action of making the best or most effective use of a situation or resource, in this case, bus runs.

Please check carefully for any bus time or bus number changes. Every attempt was made to keep buses the same and stops in the same location. Your child's («First_Name» «Last_Name») new bus number is «Pickup_Bus», and time of pick up is «Pickup_Time» at «Pickup_Bus_Stop». *(Please be out at the bus stop 5 minutes earlier.)*

These changes should provide a bus stop within walking distances outlined in the school division's guidelines (0.5 miles for secondary, 0.3 miles for elementary).

This information will be available under the "Explore" tab on mychesterfieldschools.com the day before implementation, which is scheduled for (input date). If you have any questions or concerns about your child's busing, please do not hesitate to contact the routing office at 706-2805.
